Dear Macdonald! Just half an hour  
after finishing a compte-rendu of the  
"aspects" your brilliant photograph comes  
to my hand. A visitor, who was present,  
when this token of your friendly sentiments  
reached me, <sup>expressed</sup> ~~gave~~ is lastingly the following  
judgment: "Verily, the face of a high-  
spirited and good-hearted man". That is  
the verity about it! You see, the review  
is ready, a very long article ~~fact~~. I think  
about 4 pages. I wait only for the  
answer of the Editor of the Revue H Relig.  
whom I had to ask, ~~whether~~ he will  
accept the article. I hope his answer  
will be affirmative. Although I  
had to make some "reserves" - when  
I do not share all your views - you  
will be content with the review.  
There could be agreement on the  
whole line. And ~~in~~ <sup>في</sup> ~~the~~ <sup>هذا</sup> ~~line~~ <sup>هذا</sup>. I  
am now studying the new (3<sup>d</sup>) edition of  
Fraser's Golden Bough I-III. A verily ad-  
mirable book. <sup>والله اعلم</sup> <sup>بالحق</sup>  
Yours truly Goldziher
